

VERY SHELTERED HOUSING

Doocot View, St Combs Court,
Banff, AB45 1GD

ABOUT DOOCOT VIEW

Doocot View is situated in the south of Banff, a town on the estuary of the River Deveron in Aberdeenshire. Doocot View is a very sheltered housing development that also features a day-care centre run by Aberdeenshire Council.

The development is made up of 30 mainly one bedroom properties, all located on one level. Staff are on site 24 hours a day to help out with domestic and support requirements and to help out in an emergency. A bus stop close to the development provides a regular service into the town where there are a range of facilities including supermarkets and banks available.

We provide two cooked meals a day - typically a two-course meal at lunch time and a high tea in the evening.

Meals are prepared by our on site staff and served in our dining room. We offer a varied menu taking into consideration personal choice, seasonally available fresh produce and all dietary requirements. All catering costs are included in the monthly charge.

What is very sheltered housing?

Very sheltered housing is aimed at frailer older people. Residents have their own flat and can live as independently as they please, but support staff are on site 24 hours a day and quality, nutritious meals are served in an attractive communal dining room.

For added security and peace of mind, properties are also connected to a 24-hour community alarm.

Communal facilities

Doocot View features a high quality, fully furnished communal lounge and kitchen. Residents are free to use the lounge as they please.

Residents are also free to invite friends and neighbours to join them here. Hanover may sometimes need to use the lounge for meetings and the room may also be used by outside groups, in which case a charge will be levied to the group using it.

A private laundry for residents' own use, or by care at home staff on their behalf, is also provided. It has automatic washing machines and tumble driers.

ABOUT DOOCOT VIEW

Hanover maintains the development gardens. However, should anyone wish to have a small plot for gardening it may be possible to arrange this.

A communal aerial is provided, with a socket in every living room, therefore an individual aerial is not necessary.

Car park

A car park is provided for the use of residents and visitors to the development. It is not possible to allocate car parking spaces to individual residents.

Guest bedroom

Doocot View features a well-equipped guest bedroom for friends or relatives visiting very sheltered residents. For a small fee to cover costs the bedroom can be booked up to two months in advance. Priority bookings are given to relatives of a resident who is ill.

Alarm system

All the very sheltered properties are fitted with a community alarm system, which allows residents to summon help in an emergency.

Maintenance

As the landlord of the development, we're responsible for carrying out certain repairs to make sure your property and the communal areas are well maintained and that certain things are safe.

You can find more information on this in the Scottish Secure Tenancy Agreement which you sign when you become a tenant. We'll ensure your property is in good condition when you move in and we expect you to maintain the internal decoration.

Pets

Pets are welcome but we must know if residents are planning to keep them. If residents have a dog they must exercise them outside the development's grounds.

Tenants' Contents Insurance

We provide contents' insurance from as little as £2.20 a month. Or you can arrange for your own cover; but residents must let us know.

Get in touch with us to find out more.

ABOUT DOOCOT VIEW

What staff work at Doocot View?

At Doocot View, a Very Sheltered Manager manages the overall development and the staff who work there.

Each very sheltered resident has a Support Worker who helps residents be as active or independent as they want, liaises with relatives and organisations like community health services and social work departments, and looks after any related administration.

Council tax

Residents are responsible for paying council tax directly to the local authority.

Annual development meeting

Each year, we invite every resident to come to an annual development meeting, usually held in the lounge or somewhere nearby.

They usually take place in the autumn and it's a good opportunity for residents to discuss issues relating to the development.

Communications and consultations

We're committed to effective communication with residents. We promise to communicate and consult in a variety of ways, including writing, visiting residents to discuss matters or calling extra development meetings.
