ABOUT CRAIGVIEW

Maintenance of your property

As the landlord of the development, we are responsible for carrying out certain repairs to make sure your property and the communal areas are well maintained and that certain things are safe. You can find more information on this in the Scottish Secure Tenancy Agreement which you sign when you become a tenant.

We will ensure your property is in good condition when you move in and we expect you to maintain the internal decoration.

TV Aerial

A communal aerial is provided, with a socket in every living room, therefore an individual aerial is not necessary.

Gardens

Hanover maintains, through the Service Charge, all the grassed and planted areas in the development. However, should anyone wish to have a small plot for gardening it may be possible to arrange this.

Car Park

A car park is provided for the use of residents and visitors to the development. It is not possible to allocate car parking spaces to individual residents.

Can I bring a pet?

Pets are welcome but we must know if residents are planning to keep them. If residents have a dog they must exercise them outside the development's grounds.

Council tax

Residents are responsible for paying council tax directly to the local authority.

Tenants' Contents Insurance

We provide contents' insurance from as little as £1.50 a month.

Or, if you prefer, you can arrange for your own cover; but you must let us know if you want to do this.

ABOUT CRAIGVIEW

Housing Officers

Each development has a dedicated Housing Officer who acts as the main contact between the development and Hanover's offices. They will regularly visit and meet with residents to discuss any housing or personal issues you may have.

They are more than happy to meet residents as a group or to make appointments to meet you individually in the comfort of your own home.

Annual Development Meeting

Each year, we invite every resident to come to an Annual Development Meeting, usually held somewhere nearby.

They usually take place in the autumn and it's a good opportunity for residents to discuss issues relating to the development.

Communications and consultations

We are committed to effective communication with residents.

We promise to communicate and consult in a variety of ways, including writing, visiting residents to discuss matters or calling extra development meetings.
