Morris Court, 17 James Street  
Dalry KA24 5FB

# About Morris Court

Morris Court is a very sheltered development in the centre of Dalry, just off James Street. The development is close to a full range of local amenities and there is a bus stop a short walk away with regular buses to Saltcoats, Largs, Kilbirnie and the local train station.

## What is very sheltered housing?

Very sheltered housing is aimed at frailer older people. Residents have their own flat and can live as independently as they please, but support staff are on site 24-hours a day and quality, nutritious meals are provided.

## Our properties

There are 24 one-bedroom flats on two levels in a single building, which has a lift.

The flats all have a single bedroom with a living room, bathroom and kitchenette. They also have shower rooms or wet rooms, and a kitchenette. All properties feature full double glazing and are heated by gas central heating (which is included in your rental charge).

For added security and peace of mind, properties are also connected to a 24-hour community alarm, which allows residents to summon help in an emergency.

## Catering

We provide two cooked meals a day - typically a three-course meal at lunch time and a high tea in the evening.

Meals are prepared by our on site staff and served in our attractive communal dining room. We offer a varied menu taking into consideration personal choice, seasonally available fresh produce and all dietary requirements. All catering costs are included in the monthly charges.

### Communal facilities

Morris Court features two high quality, fully furnished communal lounges. Residents are free to use the lounges as they please.

Residents are also free to invite friends and neighbours to join them here. Hanover may sometimes need to use the lounges for meetings and the room may also be used by outside groups, in which case a charge will be levied to the group using them.

A private laundry for residents' own use, or by care at home staff on their behalf, is also provided. It has automatic washing machines and tumble driers.

Hanover maintains the development gardens. However, should anyone wish to have a small plot for gardening it may be possible to arrange this.

A communal aerial is provided, with a socket in every living room, therefore an individual aerial is not necessary.

There is secure, free WiFi available in the communal lounge.

There is a communal car park within the developments grounds.

### Guest bedroom

Morris Court features a well equipped guest bedroom for visiting friends or relatives. For a small fee to cover costs the bedroom can be booked up to two months in advance. Priority bookings are given to relatives of a resident who is ill.

### Maintenance

As the landlord of the development, we're responsible for carrying out repairs to make sure your property and the communal areas are well maintained and safe.

You can find more information on this in the Scottish Secure Tenancy Agreement which you sign when you become a tenant. We'll ensure your property is in good condition when you move in and we expect you to maintain the internal decoration.

### Pets

Pets are welcome but we must know if residents are planning to keep them.

If residents have a dog they must exercise them outside the development's grounds.

### Tenants' Contents Insurance

We provide contents' insurance from as little as £1.00 a month. Or you can arrange for your own cover; but residents must let us know.

### What staff work at Morris Court?

At Morris Court, a Housing with Care Manager manages the overall development and the staff who work there.

Each resident has a Support Worker who helps residents be as active or independent as they want, liaises with relatives and organisations like community health services and social work departments, and looks after any related administration.

Staff are on-site 24hrs, however Telecare staff take calls between 10pm and 8am and will notify on-site staff to assess the situation, if required.

### Council tax

Residents are responsible for paying council tax directly to the local authority.

### Annual Development Meeting

Each year, we invite every resident to come to an Annual Development Meeting, usually held in the lounge or somewhere nearby.

They usually take place in the autumn and it's a good opportunity for residents to discuss issues relating to the development.

### Communications and consultations

We're committed to effective communication with residents.

We promise to communicate and consult in a variety of ways, including writing, visiting residents to discuss matters or calling extra development meetings.
