Gardens

Hanover looks after the attractive gardens, however if space allows we can often make a patch available for individuals to look after.

Car park

A car park is provided for the use of residents and visitors to the development. It is not possible to allocate car parking spaces to individual residents.

TV aerial

Sunnyside Court features a communal TV aerial, meaning there is no need to install an individual aerial.

Maintenance of your property

As the landlord of the development, we're responsible for carrying out certain repairs to make sure your property and the communal areas are well maintained and that certain things are safe.

You can find more information on this in the Scottish Secure Tenancy Agreement which you will sign when you become a tenant. We will ensure your property is in good condition when you move in and we expect you to maintain the internal decoration.

ABOUT SUNNYSIDE COURT

Can I bring a pet?

Pets are welcome but we must know if residents are planning to keep them. If residents have a dog, they must exercise it outside the development's grounds.

Tenants' Contents Insurance

We provide contents insurance for as little as £1.50 a month. Or, if you prefer, you can arrange for your own cover; but you must let us know if you want to do this. Get in touch with us to find out more.

What are Development Managers?

The Development Manager has a wide range of responsibilities, from helping out in emergencies, reporting day-to-day repairs, giving information on services we and other organisations offer, and managing the day-to-day upkeep of the development.

Housing Officers

Each development has a dedicated Housing Officer who acts as the main contact between the development and Hanover's offices. They will regularly visit and meet with residents to discuss any housing or personal issues you may have.

They are more than happy to meet residents as a group or to make appointments to meet you individually in the comfort of your own home.

Annual Development Meeting

Each year, we invite every resident to come to an Annual Development Meeting, usually held in the lounge or somewhere nearby. They usually take place in the autumn and it's a good opportunity for residents to discuss issues relating to the development.

Communications and consultation

We're committed to effective communication with residents. We promise to communicate and consult in a variety of ways, including writing, visiting residents to discuss matters or calling extra development meetings.
