

AMENITY HOUSING

Heathfield Road, Ayr, KA8 9FE

ABOUT HEATHFIELD ROAD

Heathfield Road opened in February 2019 and is made up of ten units. Eight apartments are located on Annpit Road and two apartments are located on Eaglesham Road.

Home to the world famous racecourse, as well as all the amenities you would expect in a large town including a railway station and shopping centres, Ayr is also handily located a short distance from Prestwick Airport.

What is Amenity Housing?

Amenity housing is for more active older people. Each property is a flat with its own front door. Most have one or two bedrooms and features can include grab rails, level floors and walk in showers.

Every property at Heathfield Road has triple glazing and is heated by individual central gas boilers with radiators in every room allowing for independent temperature control.

Cooking and Laundry Arrangements

There are facilities in the properties for cooking by electricity or by gas. Residents in the apartments must supply their own cookers and have them installed by an authorised installer.

Each property has washing machine outlets installed ready for residents' own machines.

Gardens

Hanover maintains, through the Service Charge, all the communal grassed and planted areas in the development. There is also a play park at the development.

Pets

Pets are welcome but we must know if residents are planning to keep them. If residents have a dog they must exercise them outside the development's grounds.
