Strawberry Bank, Peterhead,
AB42 2AA

ABOUT STRAWBERRY BANK

The charmingly-named Strawberry Bank is located on the site of Peterhead's old Market Gardens, within a few hundred yards of shops and a post office and a short distance from the town centre of Aberdeenshire's largest town.

The development is made up of 39 one-bedroom flats situated in two, two-storey blocks. The majority of the properties have stairlift access.

There is a Sheltered Housing Manager on site five days a week to help with day-to-day enquiries and to look after the development.

What is sheltered housing?

Sheltered housing is aimed at the over 60s. Most developments have a secure main entrance and all properties have their own front doors.

Living in a development like Strawberry Bank offers a number of useful features.

The development is served by a gas-fired central boiler which provides central heating and a constant hot water supply to every flat and to the communal areas.

There is space for an electric cooker in every property's kitchen. In addition, all properties feature full double glazing.

Alarm service

All of the properties are linked to a community alarm service, allowing residents to call for help 24 hours a day.

ABOUT STRAWBERRY BANK

Communal features

Strawberry Bank features a high quality, fully furnished communal lounge and kitchen. Residents are free to use the lounge as they please.

A communal laundry includes modern washers and tumble driers and the communal gardens also feature rotary driers.

Strawberry Bank features a communal TV aerial, meaning there is no need to install an individual aerial.

Gardens

Hanover looks after the communal gardens. However, if space allows we can often make a patch available to individuals to look after.

Car park

A car park is provided for the use of residents and visitors to the development. It is not possible to allocate car parking spaces to individual residents.

Guest bedroom

Strawberry Bank features a well-equipped guest bedroom for visiting friends or relative. For a small fee to cover costs the bedroom can be booked up to two months in advance. Priority bookings are given to relatives of a resident who is ill.

Maintenance of your property

As the landlord of the development, we're responsible for carrying out certain repairs to make sure your property and the communal areas are well maintained and that certain things are safe.

You can find more information on this in the Scottish Secure Tenancy Agreement which you sign when you become a tenant.

We'll ensure your property is in good condition when you move in and we expect you to maintain the internal decoration.

ABOUT STRAWBERRY BANK

Can I bring a pet?

Pets are welcome but we must know if residents are planning to keep them. If residents have a dog they must exercise them outside the development's grounds.

Tenants' Contents Insurance?

We provide contents' insurance from as little as £1.50 a month. Or, if you prefer, you can arrange for your own cover; but you must let us know if you want to do this. Get in touch with us to find out more.

Council tax

You are responsible for paying council tax directly to the local authority.

What are Sheltered Housing Managers?

The SHM has a wide range of responsibilities, from helping out in emergencies, reporting day-to-day repairs, giving information on services we and other organisations offer and managing the day-to-day upkeep of the development.

They often give residents a daily call to ensure everything is OK and can help out with benefits advice as well as liaising with GPs, nursing services and local authorities.

Housing Officers

Each development has a dedicated Housing Officer who acts as the main contact between the development and Hanover's offices. They will regularly visit and meet with residents to discuss any housing or personal issues you may have. They're more than happy to meet residents as a group or to make appointments to meet you individually in the comfort of your own home.

Annual Development Meeting

Each year, we invite every resident to come to an Annual Development Meeting, usually held in the lounge or somewhere nearby. They usually take place in the autumn and it's a good opportunity for residents to discuss issues relating to the development.

Communications and consultations

We're committed to effective communication with residents. We promise to communicate and consult in a variety of ways, including writing, visiting residents to discuss matters or calling extra development meetings.
