Parkway Court, Mar Place,
Alloa, FK10 2AD

ABOUT PARKWAY COURT

This sheltered development is in the town of Alloa in the Central Lowlands of Scotland. The development adjoins Greenfield Park and the town centre is nearby with a comprehensive range of shopping facilities and other amenities. There are regular buses to Dunfermline and Stirling available from just outside the development.

The development comprises 31 flats on three levels and is served by a lift.

A Sheltered Housing Manager is on site five days a week, to help out in an emergency and to look after the day-to-day administration of the development.

What is sheltered housing?

Sheltered housing is aimed at the over 60s and security is paramount.

At Parkway Court, there is a secure main entrance and each property has its own front door.

The flats are served by a gas-fired central boiler, which provides central heating and hot water to every flat and to the communal areas. All properties boast double glazing and each kitchen features space for an electric cooker.

Alarm system

There is a community alarm service linked to every property, allowing residents to call for help 24 hours a day. A pull cord to activate the alarm is situated in every room.

ABOUT PARKWAY COURT

Communal facilities

Parkway Court features a high quality, fully furnished communal lounge and kitchen, and residents are free to use the lounge as they please. There is a communal TV aerial meaning there is no need to install an individual one.

A private, communal laundry includes modern washers and tumble driers. There are also drying areas with rotary driers in the garden.

Hanover looks after the attractive gardens, however if space allows we can often make a patch available for individuals to look after.

A car park is provided for the use of residents and visitors to the development, on a first come first served basis.

Guest bedroom

Parkway Court features a well-equipped guest bedroom for visiting friends or relatives. For a small fee to cover costs, the bedroom can be booked for up to two months in advance. Priority bookings are given to relatives of a resident who is ill.

Maintenance of your property

As the landlord of the development, we are responsible for carrying out certain repairs to make sure your property and the communal areas are well maintained and that certain things are safe.

You can find more information on this in the Scottish Secure Tenancy Agreement which you will sign when you become a tenant.

We will ensure your property is in good condition when you move in and we expect you to maintain the internal decoration.

WiFi

There is secure, free Wifi available in the communal lounge.

ABOUT PARKWAY COURT

Can I bring a pet?

Pets are welcome but we must know if residents are planning to keep them. If residents have a dog, they must exercise it outside the development's grounds.

Council tax

Residents are responsible for paying Council Tax to the local authority.

Tenants' Contents Insurance

We provide contents insurance for as little as £1.50 a month. Or, if you prefer, you can arrange for your own cover; but you must let us know if you want to do this. Get in touch with us to find out more.

What are Sheltered Housing Managers?

Parkway Court features a Sheltered Housing Manager who works at the development.

The Sheltered Housing Manager has a wide range of responsibilities, from helping out in emergencies, reporting day-to-day repairs, giving information on services we and other organisations offer, and managing the day-to-day upkeep of the development.

Housing Officers

Each development has a dedicated Housing Officer who acts as the main contact between the development and Hanover's offices. They will regularly visit and meet with residents to discuss any housing or personal issues you may have. They are more than happy to meet residents as a group or to make appointments to meet you individually in the comfort of your own home.

Annual Development Meeting

Each year, we invite every resident to come to an Annual Development Meeting, usually held in the lounge or somewhere nearby. They usually take place in the autumn and it's a good opportunity for residents to discuss issues relating to the development.

Communications and consultation

We are committed to effective communication with residents. We promise to communicate and consult in a variety of ways, including writing, visiting residents to discuss matters or calling extra development meetings.
