Cameron Court, Plasmon Lane

# ABOUT CAMERON COURT

Cameron Court is situated at the former Plasmon Mills site off Fleurs Place. Local shopping facilities and amenities are located nearby. There is a railway station within a 15 minute walk with trains to Inverness and Aberdeen. There are 18 flats on one level with an integral day care centre.

We provide two cooked meals a day. This is typically a three-course meal at lunchtime and a high tea in the evening.

Meals are prepared by our on site staff and served to you in our dining room. We offer a varied menu taking into consideration personal choice, seasonally available fresh produce and also all dietary requirements.

## **What is very sheltered housing?**

Very sheltered housing is aimed at frailer older people. Residents have their own flat and can live as independently as they please, but support staff are on site 24 hours a day and quality, nutritious meals are served in an attractive communal dining room.

For added security and peace of mind, properties are also connected to a 24-hour community alarm.

## **Communal facilities**

Cameron Court features a high quality, fully furnished communal lounge. Residents are free to use the lounge as they please. Residents are also free to invite friends and neighbours to join them here.

On some occasions, we may wish to use the lounge for meetings and the room may also be used by outside groups, in which case a charge will be levied to the group using it.

# ABOUT CAMERON COURT

A communal laundrette includes modern washers and tumble driers.

Hanover looks after the gardens however if space allows we can often make a patch available to individuals to look after.

## **Car Park**

A car park is provided for the use of residents and visitors to the development. It is not possible to allocate car parking spaces to individual residents.

A communal aerial is provided, with a socket in every living room, therefore an individual aerial is not necessary.

## **Guest bedroom**

Cameron Court features a well-equipped guest bedroom for visiting friends or relatives.

For a small fee to cover costs, the bedroom can be booked up to two months in advance. Priority bookings are given to relatives of a resident who is ill.

## **Alarm system**

All the properties are fitted with a community alarm system, which allows residents to summon help in an emergency.

## **Maintenance**

As the landlord of the development, we're responsible for carrying out certain repairs to make sure your property and the communal areas are well maintained and that certain things are safe.

You can find more information on this in the Scottish Secure Tenancy Agreement which you can sign when you become a tenant.

We'll ensure your property is in good condition when you move in and we expect you to maintain the internal decoration.

## **Pets**

Pets are welcome but we must know if residents are planning to keep them. If residents have a dog they must exercise them outside the development's grounds.

# ABOUT CAMERON COURT

## **Tenants' contents insurance**

We provide contents' insurance from as little as £1.50 a month.

Or, if you prefer, you can arrange for your own cover, but you must let us know if you want to do this. Get in touch with us to find out more.

## **What staff work at Cameron Court?**

At Cameron Court, a Very Sheltered Manager manages the overall development and the staff who work there.

Each resident has a Support Worker who helps residents be as active or independent as they want, liaises with relatives and organisations like community health services and social work departments, and looks after any related administration.

## **Development meetings**

Each month, we invite every resident to come to a development meeting.

They're a good opportunity for residents to discuss issues relating to the development.

## **Communications and consultations**

We're committed to effective communication with residents.

We promise to communicate and consult in a variety of ways, including writing, visiting residents to discuss matters or calling extra development meetings.
