What is very sheltered housing?

Very sheltered housing is aimed at frailer older people. Residents have their own flat and can live as independently as they please, but support staff are on site 24 hours a day and quality, nutritious meals are served in an attractive communal dining room.

For added security and peace of mind, properties are also connected to a 24-hour community alarm.

Communal facilities

Archibald Kelly Court features a high quality, fully furnished communal lounge and kitchen. Residents are free to use the lounge as they please.

A communal laundrette includes modern washers and tumble driers.

Hanover maintains the development gardens. However should anyone wish to have a small plot for gardening it may be possible to arrange this.

There is also a limited amount of communal parking spaces, however plenty of on-street parking is available very nearby.

Archibald Kelly Court features a communal TV aerial, meaning there is no need to install an individual aerial.

As the landlord of the development, we're responsible for carrying out certain repairs to make sure your property and the communal areas are well maintained and that certain things are safe.

If residents have a dog they must exercise them outside the development's grounds.
